

## Pick-Up and Drop Off Safety

August 2018

Parents and Guardians,

We are excited to get back to school for the 2019-2020 school year. We will be larger in population than we were last year, welcome to all our new families! Please following the parking lot procedures listed below and diagramed on the map, and encourage students to follow the Safe Routes Utah safe walking plan.

The 2019-2020 Safe Routes map (which can be enlarged) and text descriptors are listed on the website. Please note that the approved safe walking route is not always the shortest. Please encourage your children to walk the route mapped out in the plan as it has been approved by the School Community Council, Jordan School District, Herriman City and the Herriman Police Department. We appreciate your involvement and concern as we work together to keep kids safe.

Sincerely,

Amanda Edwards, Principal

1. Student pick-up and drop-off is in the drive through on the west side of the building.
  - Drive as far forward (north) as you can, before stopping to let your children out
  - Students exit and enter cars on the north west side of the crosswalk
  - Students need to exit vehicles on the passenger side, onto the sidewalk
  - The red painted areas on the streets and drive-through before the crosswalk are not student drop-off or pick-up areas. We are going to have kids wait on the north end of the crosswalk.
  - If you park in the parking lot to pick up children, please walk to the crosswalk so children are not running through the parking lot.
2. Buses and daycare buses will use the drive through on the south side of the building. No regular student drop-off is available here. Please don't use the faculty parking lot on the south side as student drop-off and pick-up.
3. Encourage students walking or riding bikes/scooters to reduce car traffic. Once on school grounds, students need to walk their wheels to the bike rack.
4. The first bell rings at 8:55 am. Teachers will be bringing students in as soon as this bell has rung. Please have students at school before this bell, so teachers can begin instruction promptly at 9:00 am.
5. No student supervision is available before 8:40am. Please don't send students to school until 8:40 (at the earliest).
6. School dismisses at 3:35 pm on Monday-Thursday and 1:55 pm on Friday or other short days.
