

Bastian Elementary School Community Council  
February 23, 2022 - Draft Minutes

In Attendance:

Jenese Lewis	Jamie Matheson	Amberley Critchlow	Leslie Andrus
Kaleb Yates	Becky Yates	Samantha Heder	<del>Angie Hamilton</del>
Andrea Ingleby	<del>Bruce Ingleby</del>	Kassidy Hill-Towery	Sally Wilde
Caytlin Sampson	Amanda Edwards	Darrel Robinson	

1. Welcome

2. Approve Minutes from December 8, 2021

Motion to approve by: Amberley Critchlow

Second by: Jenese Lewis

All in Favor: 13 Any opposed: 0

3. Parking lot/Safe Walking Route - Updates from HPD

Plan will be approved by the Herriman City on March 3.

Right turn only after school pick-up will start next year. There is some concern regarding right turn only clogging other streets and people parking on both sides of the street, waving their kids across. We will be sure to educate patrons and students appropriately and encourage the right turn only as a way to get kids dismissed more quickly. Bigbend Park Drive connects to 6000 W so patrons have multiple ways out of the neighborhood. We will also work with HPD to ensure we have some support at the start of the year.

4. Rules of Order - Review and vote. See the Attachment for all Rules of Order.

This wording will replace the Removal and Replacement wording:

*If a parent member is absent from two consecutive meetings, the chair will confer with the parent member and then leadership will make a determination of whether said seat will be considered vacant following an additional missed meeting. In the event the seat is considered vacant, the remaining parent members will appoint a parent to fill the unexpired term.*

Everyone voted in favor of the wording change.

5. Budget Updates

\$99,000 Remaining this year:

-\$62,000 to purchase 7 class sets of 30 Chromebooks and Licenses

-\$3,600 for 2 planning days per teacher for PLC work

-\$12,000 Spheros for STEM Lab

(\$21,000 to pay Assistants for the remainder of this year)

Will leave some carry-over, but not much

6. Goals and Ideas for next year's Trust Land plan - Three goals

**ELA** - Growth goal based on Acadience (District and State) (all grades)

**Math** - 75% of students will be proficient on grade level power standards (all grades)

**Social/Emotional** - I can do hard things. Grit. Perseverance. We are still working on

how to work it so it's measurable with our data from Panorama (grades 3-6)

- Technology - We need to start replacing our Chromebooks (230 a year)
- Assistants - Assistants to teach specials to give teachers time to analyze data and develop lessons to meet the needs of students.
- Assistant to teach SEL classes for SEL goal.
- PLC/RTI Professional Development (stipends or training)
- Additional planning days to prep Standards Based grading materials - Power standards, learning scales, assessments, and data tracking.
- (.5 of a teacher) to lower class sizes in upper grades

Possible goals (listed above) and expenditures for those goals were discussed and the council agreed. The rough draft of the plan was sent out for vote (including the items discussed above) and was approved on March 15. Plan was finalized and entered into the website. Vote was 11 Yes. 0 No. 0 Absent

#### 7. MOY Acadience Data

A discussion regarding our MOY Acadience data and what was seen by teachers as a result of the jump into Walk to Read Intervention was discussed. Parents are also noticing the love and excitement of reading fading as we pushed forward into interventions. What was noticed by parents and teachers was the need for reading grade level and text that is appropriate levels (possible decodables) to bring back the love of reading and to focus on fluency and comprehension (in both general ed classes and intervention groups) as children move through the Walk to Read levels. Grade levels have discussed what that looks like in each grade level and what supports they need to move forward. Administration is supporting those needs and providing resources as necessary. With the shift in focus, we hope to see a continued rise in our End of Year data. We will encourage and promote summer reading programs and send home resources and possible "Books to Read" lists for grade levels.

#### 8. Future agenda items:

EOY Data

Budget

Back to School Night

Fundraiser Timelines

Review forms for next year with dates, after setting first meeting date

Next Meeting: May 25, 2022 @ 6:00pm
