1. Welcome
2. Approve Draft Minutes from Sept. 18
 - a. Motion by **Kaleb Yates**
 - b. Second by **Kenessa Haight (all in favor)**
3. Safe School Requirement for SCC and Digital Citizenship – Now combined
Digital Citizenship provided by BrainPop (teachers will assign students these modules) in conjunction with White Ribbon Week **White Ribbon Week will be Feb. 10-15th. PTA is organizing and has someone in charge. The school will assign the Digital Citizenship lessons (Brain Pop Modules) to kids that week.**
4. Safety and Security
 - a. Lockdown drill re-cap
 - b. Halloween **Halloween is over the weekend the next two years. Due to safety concerns we feel it is appropriate to shift traditions to a black and orange day and focus on a school wide service project of some kind. Moving away from costumes, parades and parties. This will give us a two-year adjustment before needing to address Halloween during the school week. All members at the meeting were in favor stating that kids have plenty of opportunity to wear costumes and party and that the safety factor makes it very appealing.**
5. Recess and Lunch – Any updated feedback on recess and lunch
No concerns or issues about the cafeteria. Recess seems to be getting better, given a few incidents here or there.
6. TSSA Updated Plan
No questions. Reviewed how TSSA fits with TrustLands.
7. Budget Updates
What is Land Trust paying for?
PLC conference registration - \$12, 042
Assistants to date - \$12,026
Remaining budget – \$84,352.99

8. PLC Conference Share Out

Super experience. Much needed. Thank you very much. Clarified our purpose and what impact we can have on learning. Gave direction.

9. Next Meeting: **Wednesday, January 15th 6:00pm**

- a. Safe Walking Routes for 2020-2021 (Ask City/HPD to be here)
- b. Needs/wants for Land Trust Goals and Plan for 2020-2021 (Data conversation)
- c. Security
- d. **ACADIENCE data review**
