

Does your Bastian student love creating?

The PTA Reflections program (an optional program to be done by students at home) invites students from all grades and abilities to participate in the arts.

Every year thousands of students across the nation create original works of art inspired by a theme in one or more of the following categories:

Dance Choreography

Film Production

Literature

Music Composition

Photography

2D Visual Arts

3D Visual Art

The theme for the 2026-2027 school year is

"What My Culture Means to Me."

Student creations are submitted online at www.utahpta.org/ref and each entry will be judged, with some entries advancing from the school level to the next level.

Every participant will receive a prize.

Entries can be submitted from September 1st until October 2nd. Visit www.utahpta.org/ref for more info and all the official rules. Feel free to reach out to bastianelementarypta@gmail.com with questions.
